- 1 Yellow color in WK 1 and/or WK 2 - HDCP Score Equivalent (COL'S D&E) indicates player has 4 or 6 current year scores in, the starting handicap score equivalents will drop out of the HDCP Calculation (WK 1 @ 4 current YR scores & WK 2 @ 6 current YR scores).
- 2 2024 Status of "New" indicates a player is new and his handicap is being calculated based on the new players handicap calc vs a player who's played in the previous year(s).
- 3 HDCP's will be based on up to the best 4 scores. After a player has 7 current year scores, the HDCP will be based on the players 5 best scores.
