HOUSE & GROUNDS

MediaCom to setup Fiber. One time cost is \$540 to run cables to house and pool. Currently we pay Frontier \$267.42 per month for 50MB download speed. For fiber we will pay \$129.50 per month for 100MB download speed. That's a \$137.92 savings per month for double the speed.

PayPal payments have been set up and thus far we have received six payments including Golf Cart Fees. Sherry has been trained on how to process payments.

Migrated old laptop to new laptop. Worked with Sherry.

Spoke with leasing company on the copier we lease that's in the office. We pay \$80 per month plus a cost per page printed. Five year lease is up June 2019. Must submit in writing to cancel lease by end of this month which I intend to do. That's an \$80 savings per month.

Printer in office is toast. Will replace with a multi-function device. This unit will print, copy, fax and scan. Will clean-up and install in office. I will be able to free up space by getting rid of two non-working printers, the fax machine and the copier come June.

Bar is back to normal hours meaning now open on Monday and open at 1:00 p.m. on Saturday and Sunday.

Two couches, the game table and TV have been installed. It has been utilized already. Receiving some great feedback.

Monthly savings for Club identified above is \$217.92 per month or \$2,615.04 per year.

GOLF

Summer staff has been hired. Work on the new green is taking shape and if weather cooperates, we hope to open it for play on Memorial Day.

Jim will be doing some spot tilling and seeding this spring, and if needed, roping off areas of the fairway. Treat them as ground under repair and do not drive carts through them.

Work on the rebuilt pump has been completed and we plan to enclose it shortly after we connect it for summer.

Golf leagues (women's, youth, men's) will be forming soon so look for signup sheets in the Bar or Pro Shop.
