HOUSE & GROUNDS

Three new TVs have been purchased; we will have a total of seven TVs at the Club.

Directv has been replaced by Dish Network; all TVs will have their own receiver for around the same price as just three receivers from Directv.

The lake has been treated for algae and other plants; this was not needed last year.

The furnace and central air for the main floor had to be replaced due to aging of the current unit and not being able to be repaired.

Coming next month . . . the ceiling and poles in the big room downstairs are being painted and the bathrooms for the main room upstairs are being painted.

GOLF

We had nine groups play in a soggy Memorial Day Scramble with the winning team of Jeremy Stillson, Sam Hudson and Steven Miller registering a 9-under to bring home the win. Next up will be the 4th of July Scramble that will be open to all members. Entry fee is \$20. Guests accompanied by members are welcome for an additional fee of \$18. Sign in will start at 7:30 a.m. with tee off slated a little around 8:15 a.m. after captains are assigned.

The 4th will also mark the long-awaited grand opening of the new green so we hope to have a large turnout at this year's event.

We are looking at renewing our rivalry with Timberlake for the Couples Challenge. Round 1 will be set at Maple Lane at a date TBD in July. Please keep an eye out for sign up sheets in the clubhouse as information becomes available.

As the weather has finally begun to cooperate and we are getting more play on the course, please sign in at the pro shop, even after your round has been completed. We are trying to

collect some data regarding number of rounds played and we could use everyone's help in this effort rather than trying to estimate.

And lastly, please remember to "repair" your ball marks.

POOL

The Jr. High Swim Party will be held Friday June 21st, 7:00 - 9:00 p.m. Admission is \$5.00 for members and non-members. Kids going into 7th, 8th and 9th grade are welcome.

Session II of swim lessons begin Monday June 17th. There is still room for swimmers in Session III that begins Monday July 8th.

Minor maintenance issues were resolved prior to opening. There are new toilets in the girls locker room. The new toilets flush on the top of the tank; please show your littles where that is; it is hard to see it if the lid is up.

SOCIAL

Reporting on Social events for the month of May, we pause to remember that this Club, along with all freedoms we possess, came at the cost of American lives. We must never forget those who gave all, so that we may pursue happiness.

This Social Committee member was delighted to see numerous members of MLCC in attendance at this year's Memorial Day Service at the Elmwood Cemetary honoring not only Elmwood's own Archie Miles, but all of our fallen brotheren.

Memorial Day Golf Outing was won by teammates Jeremy Stillson, Steven Miller, and Sam Hudson. Good job guys.

Maple Lane hosted a Bloody Mary Bar on Sunday, June 2nd. A full complement of garnishments was available for the discerning enthusiast.

Looking ahead to July, we will celebrate our country's Independence with what else . . . pulled pork! Lunch will be served at 12:30 p.m. following the Golf Scramble.
