QUARTERLY DUES IN THE AMOUNT OF \$250 PAYABLE
JANUARY 1, 2010

**REMEMBER: DUES CAN BE PAID VIA PAY PAL
WITH BANK ACCOUNT OR CREDIT CARD**

ADMINISTRATION

Thanks for making sure Fourth Quarter Dues are in!

There were seven new trees planted last week. The course looks great and the colors are beautiful right now. Get out and enjoy a fall round of golf and take in the great scenery! It won't last long.

The board will be seeking nominating committee volunteers. This temporary position will last about three to four meetings between now and end of year to develop a list of potential board members for 2020. Please consider sitting on this committee if asked or please reach out to a board member now, if interested in serving.

Please note that there can be no Deep Fat Frying of food in our kitchen. The fire code is very strict on this issue and we do not have the correct equipment in the kitchen to support this and our insurance will not support this. Signs are up in the kitchen as reminder.

We have started construction on new pillars at the end of the lane. Foundations will be completed in October. The pillars will be completed when the weather gets nice in the spring.

See the WSJ article dated 10/22/19 on golf courses, and remember that we have a special place as others are losing their way!

Have a great rest of October and the month of November.

Dave Ramsay, President

HOUSE & GROUNDS

In an effort to clean up and rid the club of old chairs and tables, some were sold and many were given away. I'm pleased to say we did not have to dispose of any of the furniture. All was taken. New 6' tables were purchased to replace what was sold. These tables are much lighter and easier to setup and breakdown.

Currently working on a budget for House & Grounds for next year.

House & Grounds Committee

GOLF

As fall brings cooler temperatures, please remember to keep off the course until frost has cleared and be aware of temporary tees.

The course will be closed on the afternoon of Friday, November 1st and morning of Saturday, November 2nd for the high school cross country sectional.

Eight new trees were purchased with the remaining funds raised in 2018-19 and most have already been planted down the lane, around the course and behind No. 9 / 18 green. Thanks to all who contributed and help make that happen.

We also will be taking down some dead and dying trees around the grounds. There will be a course maintenance and clean up day on Saturday, Nov. 16. We will send out information through the men's and women's league email system but keep an eye out for signs around the club and posts on Facebook.

Golf Committee

POOL

The Pool is closed for the season.

Pool Committee

SOCIAL

The Social Committee held a family bonfire on October 19th. We are planning an Ugly Sweater/Karaoke party on December 7th in the MLCC Tavern and will host our annual Santa Breakfast on December 14th in the upstairs banquet room. The holidays will soon be upon us!
