HOUSE & GROUNDS:

New LED Lights on dimmer switches have been installed in the bar. A huge thanks to Mit and the Men's Club for donating these lights!

A new 40" TV has been installed behind the bar in the corner to replace the very small TV that was on top of the wine coolers that were removed last month. Come check it out!

A donated Plasma TV is to be installed soon. More information to come on that.

New lighted signs have been installed to communicate drink prices, specials, and events.

Issues with the stove in the kitchen with the pilot light going out and the ovens not working properly has been resolved.

We will still continue to heavily discount the Hard Grape Soda and select IPAs for \$1.50 until inventory is depleted.

SOCIAL:

MLCC celebrated its 20th Annual Comedy Night on February 8th. There were 117 tickets purchased and everyone in attendance had a great time. Thank you to those who showed up and brought guests.

Pitch will continue on Wednesdays throughout the winter months and we are working to plan events once the weather warms up.

If there are ideas for events utilizing the dining room, bar or golf course you would like to be involved in, please contact us at social@maplelanecountryclub.org
