## **ADMINISTRATION**

### **Summer's Here & the Time is Right!**

Welcome to summer as we end what seems like the longest year ever! We hope to see as many members as possible at your Club.

### **10 Memberships Available**

For the past several years the board has worked hard to grow membership and reduce the number on the waiting list to redeem their certificates. It is nice to see that work continue to pay off. At the May meeting, we only had 10 memberships available so if you know someone who is thinking about joining the Club, now is the time to have them call Angie before it is too late.

### **Record Keeping**

As restrictions continue to ease, it is easy to get busy and let things slip. If you have not had a chance to get your cart fees paid yet, please do so. And as a reminder, Trail Fees and Cart Storage Fees for those who use one of the sheds are \$100 each. If you are not sure if you have paid yet or not, please check with Angie or look for the past due list in the Bar and Pro Shop.

### **Use Your Club**

Lots of activities are being planned, starting with our Memorial Day scramble and the return of the potluck. Hope to see as many of you there as possible. As more events are planned, please keep an eye out for Angie's updates as she will blast out information with updates as dates and deadlines draw near.

Enjoy your summer. Stay safe and hit 'em straight!

Brandon Burwell
