After the scramble the course will be open for the youngest members and their family to have fun and enjoy the course with no pressure. There will be tees set about 100 yds out

from the pin so the kids can hit from there. This is a way to engage our youngest members to start enjoying the game of golf! We will also have the **Kona Ice** truck available for our members to enjoy some shaved ice, courtesy of Maple Lane Golf committee.

## **POOL**

The MLCC Pool hosted a junior high party for 53 swimmers, all from the surrounding area. A little rain didn't keep the crew from having fun!

Our swim instructors have been working their magic as we had 6 swimmers pass their swim tests after their last session in July!

The pool is now only open on the weekends, if you would like to swim during the week, stop in at the Pro Shop and someone will let you in. This is a swim at your own risk adult only option. Members will still have to pay for guests. Last day of the pool being open is

September 6th, 2021

Brook and Kristen

## **ADMINISTRATION**

A reminder to members that high school golf season has started. On Mondays and Wednesdays teams from Elmwood and Farmington will be onsite to use the course for matches and practices. The schedules will be shared on our calendar and in the Pro

Shop.

*For what it's worth, our Club has picked up more than a few memberships after young golfers had a positive experience on the course so please encourage our future members as they embark on a game they can play for life!*

For all our Trial members, the Board would like to thank you for coming out and giving MLCC a try this summer. We hope you have enjoyed it. If you're interested in converting to Full Membership once your Trial expires on Oct. 1, please reach out to Angie and she will help you out.
