

The August 2022 Maple Leaf

All members should have received an invitation to our Special Meeting on Saturday, September 17th at the Club along with a survey we are asking everyone to complete. Please return your survey to the Club by Labor Day and let us know if you will be able to attend so we can plan accordingly for the meal.

And while we hope all our members can attend, if you are not able, please assign your proxy so we can review the proposed by-law changes that are attached to this newsletter.

In addition to the proposed amendments – most notably would be moving the Annual Meeting from the end of January to a Sunday in April, date TBD annually depending on when Easter falls – we are also looking at recommendations from Golf, Pool and House & Grounds for future capital investment projects.

We hope you can attend. The Board and Special Meeting Steering Committee have worked hard to get this information put together and we appreciate feedback on how best we can continue to position the Club for the future.

POOL

The Farnsworth Group from Peoria is working up a proposal to help the committee diagnose the situation with our pool, and possible corrective actions to implement. We will have more details on possible plans forward at the special meeting.

Effective August 16th, we will begin using modified hours through the end of the season. The Pool will be closed during the week, open on weekends from Noon until 6p:00 p.m. until Labor Day.

Our Family Swim night was well attended with more than 10 families showing up to enjoy an evening swim.

HOUSE & GROUNDS

The committee is currently looking at projects to help add to our membership experience. Options that have been discussed and/or brought to the committee are re-surfacing the parking lot as well as the possible addition of a structure outside that could be utilized for outdoor receptions.
