

The January 2024 Maple Leaf

Dear Maple Lane Country Club Members,
As we bid farewell to 2023, I am happy to share some highlights that made this year exceptional for our club. The completion of the pool project, although frustrating, stopped the major leaking that we have battled over time. Furthermore, the acquisition of the new fairway mower and greens roller has enhanced our golf course. Stephanie and the Social Committee did a tremendous job planning multiple events for our members to enjoy! Make sure to be on the lookout for more events coming up!

I am pleased to report that, due to the support of our dedicated members, Maple Lane Country Club concludes 2023 in a good financial position. We will give a full update at the Annual Meeting.

Nominating Committee

We are finalizing the nominating committee members. Please consider running for the board. Our goal is to get 5 members to run for 3 vacant positions. As the committee reaches out, please consider serving a term to give back to the club!

Annual Meeting

The annual meeting has been set. Sunday, March 24th at 2:00 p.m.

Rules/By-Law Changes

Reminder, if there is a rule or by-law change you would like to propose, please submit this to the board by Feb 7th (45 days prior to the annual meeting.)

Dues

Reminder to check your emails as the 2024 dues have been sent. Please consider paying annually as this helps our cash flow tremendously. If you are paying via credit card, please pay the \$10 per quarter or \$40 per year convenience fee to offset our costs.

Here's to a successful 2024, and I look forward to the exciting developments that lie ahead for Maple Lane in 2024!
